Send your answers to info@turretbell.com to be entered in the prize draw, along with your name and email address. You get one entry for each correct answer.
All entries are due by 11:59 pm on May 20.

Instructions:

There are 12 hidden containers at the coordinates indicated. Use your GPS to get as close to each location as you can.

Once you are close, start looking around. There will be a container hidden in the area. Inside the container, you will find a log book and an answer to the puzzle.

Sign the log book to show that you were here.

Fill in the answer on your puzzle sheet.

Hide the container in the same place as you found it.

If a container is missing, just take a picture of where you think the container should have been, and send it along with the rest of your answers.
